What should Spectator/Rower bring?

This is a list of items that are normally used at regattas

*Umbrella

*Chair

*Binoculars

*Layered clothing - The regattas tend to be either rainy and very cold, or sunny and warm. Sometimes they can be both within hours.

*Snacks – If your child is picky, or just wants their own snacks. We are not sure what is available to purchase around the regatta, so pack what you need.

*Water Bottle – There will be water available at the food tent, but a water bottle to fill is preferred rather than plastic cups being used.
